MOF.GOV.SG

Singapore, a sunny tropical island paradise, consistently ranks among the world's top 10 countries for quality of living. Living here means enjoying safety, cleanliness, excellent public transport, and a strong healthcare system. Singapore is your gateway to Asia's beauty, with quick and affordable access to stunning destinations. Plus, with English as the main language, communication is effortless.

Beecroft is the only independent referral veterinary hospital in Singapore. The 10,000 square foot facility is fully equipped and includes a CT and a 1.5 T MRI machine, two digital radiography rooms, ultrasound machines with echocardiography, scope equipment, interventional radiology facility, rehabilitation area, emergency treatment area, ICU, dedicated dog, cat and exotics wards, and three surgical suites (one equipped with a fluoroscope).

**BEXTRAORDINARY**

Do what you love most with world-class equipment and facility.

**BEMPOWERED**
